Bride of Roy D. Bachman,
Thursday.

The wedding of Miss Margaret McCutcheon Brown, second daughter of Mr. and Mrs. C. V. Brown, to Roy DeWitt Bachman will be solemnized Thursday afternoon at 6 o'clock at the Walden's Ridge chapel, Walden's ridge, Dr. E. A. Elmore, pastor of the Second Presbyterian church, will officiate. Miss Ada Elizabeth Brown, sister of the bride-to-be, will be maid of honor. Byers McKinney Bachman, of Sweetwater, cousin of the groom, will act as best man. The nuptial mass will be rendered by Mrs. R. B. Combs, of Rome, Ga., sister of the bride.

Owing to the fact that this is the first wedding to take place at the chapel, the ridge colony is especially interested in the event. Miss Brown is a graduate of Chattanooga High school and Agnes Scott college. She is well known in church circles and is an active member of the Christian Endeavor society.

BABY EXAMINATION STARTS TODAY IN ALL LOCAL SCHOOL CENTERS

Registration Completed Showing Co-operation On the Part of
Mothers—Many Amusing Incidents—Tiny Tots to be Weighed,
Thumped and Rolled by Army of Physicians.

Now that the registration of babies in the city is practically completed, the weighing, measuring and testing will be attended to immediately. The different school centers have been furnished with the necessary equipment. Local doctors will be in attendance in the forenoon this week, and the army doctors in the afternoon. Nurses from Erlanger, West-Elis, Woodford, Johnson and Newell sanitariums, besides private nurses, will assist the doctors in the physical examination of Chattanooga's infant population. Monday, Tuesday and Wednesday of this week have been named as the days for the children in the city to be examined and Thursday and Friday for those in the suburbs. Necessary precautions will be taken to keep the babies separate to avoid any spread of contagious disease.

The canvassers report that in most instances the response on the part of the mothers to give the necessary information about the babies was prompt, and their co-operation in the work most heartily assured, but among some of the more ignorant classes there were a few evidences of not understanding the object of the registration and a desire to avoid it. One mother went so far as to hide her children and say she didn't have any, when a tell-tale curly head peeped from under the bed; another said the baby she held in her arms was not her own, and before the committee left, sat down and went to nursing it. They didn't understand that statistics show that one baby in every seven dies in its first year of life, and that half of these lives can be saved, and this is why baby week is being held in thousands of American towns and cities, and its purpose is being fostered by the government.

The city doctors who have volunteered their services are: Drs. J. M. Selden, S. A. Fowler, G. R. Walker, J. C. Brooks, J. L. Kibb, W. J. Winter, W. M. Bogart, W. G. Bogart, S. I. Yarnell, A. W. Hilliard, J. W. Johnson, J. H. Adair, E. H. Adkins, J. B. McGhee, H. Quigley, Fletcher, E. B. Allen, D. N. Williams, J. S. Shoff, T. E. Abernathy, Y. L. Abernathy, R. A. Deakins, H. L. Fancher, J. H. Holman, E. B. Wise and H. Aronchick.

The ward chairmen of the baby campaign have reported to the general chairman, Mrs. Joe Cliff, the number of babies registered in the different wards as follows: First ward, 500; Second ward, 233; Third ward, not reported; Fourth ward, not reported; Fifth ward, 242; Sixth ward, 112; Seventh ward, 625; Eighth ward, 253; Ninth ward, 263; Tenth ward, 105; Eleventh ward, 712.

WHY HAIR FALLS OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of Danderine, a dry drug for a few days, and pour a little in your hand and rub well into the scalp. After several applications all dandruff disappears and the hair stops coming out.—(Adv.)

CHILDREN HATE PILLS, CALOMEL AND CASTOR OIL

Give Fruit Laxative when cross, bilious, feverish or constipated.

"California Syrup of Figs" can't harm tender stomach, liver, bowels.

Look back at your childhood days. Remember the "dose" mother insisted on calomel or castor oil. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy, they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—(Adv.)
